## DESIGN FLOORING

### Elegance

#### Sandy Cove Oak

Enjoy the timeless beauty of solid wood with the unbeatable performance of Asenso. Crafted with realistic knots and grain patterns, each plank in the Elegance range offers the authentic look of hardwood. But unlike real wood, Elegance flooring boasts superior protection thanks to our innovative Pro Guard finish. This makes it waterproof, scratch-resistant, and easy to maintain, perfect for any room in your home. Upgrade your space with the luxurious look and functionality of Asenso Elegance. The range can be mixed and matched with other Asenso ranges and even incorporate contrasting feature strips for endless design possibilities.

To complete your purchase and ensure a hard-wearing finish, we recommend using our Asenso Adhesive Pro. This solvent free adhesive will provide enhanced protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating!
