

ASENSO™

DESIGN FLOORING

Elegance Herringbone

Sandy Cove Oak

Experience the perfect blend of elegance and durability with our Asenso Elegance Herringbone flooring range. Asenso Elegance Herringbone recreates the beauty of natural wood effortlessly, and offers the sophisticated look of herringbone flooring without the high maintenance. Enjoy all the benefits of a waterproof, scratch-resistant, and easy-to-clean floor that's perfect for any room in your home. With a variety of stylish designs, textures and hues, you can create the perfect look for your home that's both functional and inviting. The range can be mixed and matched with other Asenso ranges and even incorporate contrasting feature strips for endless design possibilities.

To complete your purchase and ensure a hard-wearing finish, we recommend using our Asenso Adhesive Pro. This solvent free adhesive will provide enhanced protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating!
